

Naturich's K★9 Finest® Daily Supplement

A high concentration of Amaferm combined with vitamins and minerals in a granular form for dogs of all ages. Provides unmatched support for any dog food including raw meat diets or for dogs that would benefit from extra nutrition i.e. working dogs, puppies, whelping, nursing, seniors or any canine.

Recommended Feeding Directions:
Feed 1 teaspoon per 40 lb. dog, per day.

Key Benefits:

The correct balance of required minerals and vitamins. A comprehensive nutrition program that provides the right balance of vitamins, minerals, amino acids, anti-oxidants and omegas for maximum support of immune function, health and vitality in a form most available to the animal.

The Amaferm® advantage
Natural Amaferm is a prebiotic scientifically proven to unlock the nutrients contained in your pet's food, allowing the full benefit of their diet.

What value does it have in the animal?
Formulated to help maintain your dog's long-term health and vitality.

* Not recommended as an essential nutrient by the AAFCO Dog Nutrient Profiles

This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed.

CAUTION NOT FOR HUMAN CONSUMPTION. FOLLOW LABEL DIRECTIONS. USE ONLY AS DIRECTED

Caution: Due to copper level, do not feed to sheep.
