Key Benefits:

The correct balance of required minerals and vitamins.

A comprehensive nutrition program that provides the right balance of vitamins, minerals, amino acids, anti-oxidants and omegas for maximum support of immune function, health and vitality in a form most available to the animal.

The Amaferrm® advantage Natural Amaferrm is a prebiotic scientifically proven to unlock the nutrients contained in your dog's food, allowing the full benefit of their diet.

MOS (MannanOligosaccharide)

MOS is proven to sequester harmful pathogens and boost immune function in the digestive tract.

What value does it have in the animal? Amaferrm Recovery Paste provides faster recovery during:

- > Stress from travel, street encounters
- > Diarrhea
- > Sickness
- > Antibiotic therapy
- > Vaccination program, worming
- > Surgery recovery
- > Sickness
- > Digestive upset

* Not recommended as an essential nutrient by the AAFCO Dog Nutrient Profiles

CAUTION: Not for human consumption. Follow Label directions. Use only as directed.

This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed.
