PRODUCTS BEFORE AND AFTER BREEDING
PUPPIES STARTED ON AT FIRST FEEDING**

All-natural Naturich's K★9 Finest™ supplements with the Amaferm® advantage for stronger, healthier, heavier pups . . . and more of them.

Good breeding results start on the inside with all-natural nutrition benefits of Naturich's K9 Finest™ products – proven to help maintain long-term health, appearance and vigor, and to increase milk production in dams as well as puppy survival and weight gains. The secret is the Amaferm advantage, a superior digestive aid that unlocks vital nutrients in the diet needed to support health, body condition and hair coat. There's a Naturich's K9 Finest product to bring out the best in every stage of an animal's life.

Naturich's K9 Finest™ Dietary Paste provides Amaferm plus essential vitamins, minerals and Omega 3 fatty acids.

Naturich's K9 Finest™ Daily Supplement provides Amaferm® and special nutritional support for gestating/lactating females or animals on any food wet, dry or raw meat diets.

**NOT A YEAST OR PROBIOTIC.
WORKS IN CONJUNCTION WITH
ANTIBIOTICS**

Clinical trials have shown the following results when dams were fed Naturich's K9 Finest™ Daily Supplement during gestation and lactation:

- ☆ Nutrient absorption and utilization increased
- ☆ more milk was produced
- ☆ one more live pup per litter was weaned
- ☆ pups had heavier weaning weights
- ☆ helps to get the gut bugs going in the switch from milk diet to whatever you choose to feed wet, dry or raw meat.
