Benefits:

- A comprehensive nutrition program that provides the right balance of vitamins, minerals, amino acids, anti-oxidants and omegas for maximum support of immune function, health and vitality in a form most available to the animal.
- Amaferm® is a prebiotic scientifically proven to unlock the nutrients contained in your dog's food, allowing the full benefit of their diet.
- MOS (MannanOligosaccharide) is proven to sequester harmful pathogens and boost immune function in the digestive tract.
- What value does it have in the animal? Naturich's K★9 Finest® Dietary Paste provides faster recovery during:
 - > Stress from travel, street encounters
 - > Diarrhea
 - > Sickness
 - > Antibiotic therapy
 - > Vaccination program, worming
 - > Surgery recovery
 - > Sickness
 - > Digestive upset

CAUTION: Not for human consumption. Follow Label directions. Use only as directed.

This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed.
